## **WORKSHOP**

*within the UNESCO Scientific Conference  
QED'17 "Children in the Digital Age"*

### ***Moderators of the workshop:***

*Chief Assist. Prof. Polly Mukanova, PhD & Chief Assist. Prof. Christian Atanasov, PhD  
(Leaders of Expert Groups at UNYKA)*

***September 20, 2017***

*Sofia, Sofia Metropolitan Library*

*"Nadezhda" Hall, 16.00-17.30*

**Abstract:**

Knowledge and skills are the most valuable economic qualities of the person - they ensure better competitiveness and higher incomes. The University Youth Knowledge Academy is actively working to increase the competitiveness of its graduates, so the presentation of their projects and developments is a major focus of the thematic workshop.

**Target Audience:**

Young scientists, PhD students and students.

**Duration:**

90 minutes

**Objectives of the Seminar:**

Presentation of projects and developments of young scientists actively participating in the University Youth Knowledge Management Academy. Promoting excellence to new audiences and sharing experiences.

**Workshop Format:**

Presentations with invitation
